## THE QUARTERDECK

### NEW KITCHEN IN USE AT O'CLUB

The newly renovated galley in the Commissioned Officers and Faculty Club opened recently. The kitchen was closed for two years for renovation work and a seismic upgrade.

The renovation work was completed by CHK Enterprises Inc. Construction of Salinas and cost \$690,000. The new facility provides better equipment, better sanitation and a larger variety of food.

During the renovation, the bakery behind the Barbara McNitt Ballroom was utilized as the main kitchen, but it has now converted back to the bakery and storage area and will be used for large catering events.

### STUDY EXAMINES IMPACT OF DESERT SHIELD/STORM EVALUATING FAMILY SUPPORT PROGRAMS

BUPERS has contracted with Caliber Associates to conduct a study to examine the impact of Operation Desert Shield/Storm on military families and to evaluate the effectiveness of family support programs in meeting family needs during future mobilization.

Information will be collected via survey, focus groups and personal and telephone interviews. Survey trips are planned for Naval Air Station Oceana, Va. and COMFLEACT Yokosuka, Japan. Caliber Associates will separately contact randomly selected members from across the Navy who are dual military couples with children, or single parents who were deployed.

BUPERS has requested that potential respondents participate when contacted.

### COASTAL CLEANUP SET FOR SEPTEMBER VOLUNTEERS NEEDED SEPT. 19

Organizers of Monterey County's coastal cleanup day are seeking volunteers to work as beach captains in this year's event.

More than 1,100 people combed area beaches last year during the cleanup day, hauling in 10,645 pounds of trash and 1,875 pounds of recyclables. Natalie Schaefer, chairwoman for the local effort, notes that beach captains provide guidance for other volunteers. Schaefer will hold an evening training session for beach captains on Thursday, Aug. 27 at Marina Beach State Park. The annual beach cleanup day will take place Saturday, Sept. 19.

Contact John Sanders, deputy public affairs officer, at ext. 3346 for additional details.

## CIVISCOOP

### PRESSING ON WITH FEWER RESOURCES

With the ongoing DoD hiring freeze, departments are having to do work with the same -- perhaps fewer -- resources (both people and money). To help us accomplish some of our work, departments may want to consider either Student Volunteer Service or Senior Citizen Volunteer Service. The major feature of the Volunteer Program is that there is no salary cost to departments. For additional information call Dawn Diaz at ext. 2146.

### JOB SHARING INFO

Part-time work/job sharing, is an arrangement desired by more supervisors trying to juggle the demands of work and family. Since 1990, OPM has run a pilot program in job sharing.

### WHAT IS JOB SHARING AND HOW DOES IT RELATE TO PART-TIME EMPLOYMENT?

When two part-time employees voluntarily share the duties of a full-time position, the employees are job sharing. WHY SHOULD FEDERAL AGENCIES OFFER JOB SHARING?

Employers recognize that more flexible work schedules are necessary to attract and maintain a quality workforce.

### HOW DOES JOB SHARING BENEFIT EMPLOYERS?

(1) Scheduling flexibility, (2) Job enhancement, (3) Cost savings. WHAT KIND OF JOBS CAN BE SHARED?

There is not a definitive list of jobs "suitable" for job sharing, and no law/regulation limits part-time or job sharing to specific jobs.

### WHO INITIATES THE PROPOSAL FOR JOB SHARING?

A proposal can come from an employee, from a team of job sharers, or from a supervisor who wants to consider job sharers.

### HOW CAN A CURRENT EMPLOYEE FIND A JOB SHARING "PARTNER"?

Offices where the employee works, supervisors and the Civilian Personnel Office.

For more information on job sharing, contact the civilian personnel office at ext. 2002/3.
